Dear Parents,

Eagle Owls Curriculum Letter

Welcome to the summer term. Although we are only at the start of the term, we are already preparing paper work for Secondary schools. We have begun to receive dates for members of staff from each of the Abingdon schools to come in and speak to us and the children.

In addition to getting the Year 6s ready for their 'National Showing Off' week, the curriculum is as follows:

Maths	Problem solving, volume, co-ordinates, translating and reflecting shapes, interpreting line graphs
English	Writing opportunities linked to other curriculum areas, spelling and grammar Class book: Kensuke's Kingdom
Science	Earth, Sun and Moon
Computing	Coding
RE	Islam
PHSE	Being Safe
Humanities	Knowledge of the Wider World, use of maps
Art	Art from around the world
Music	Songs for Summer Production
PE	Striking / fielding games, athletics

So far this term, we have been really impressed with not only how the year 6 children have approached all their SATs practice, but also how well the year 5s are accommodating them with their approach to their own learning. They have been guided at the beginning of tasks and have received follow up at the end – but in between, they have proved themselves to be superbly hard-working.

Below is a reminder of what we have set the children to do at home. It is a suggested timetable – to do the activities in a different order to suit your commitments after school is perfectly fine; little and often works.

Monday	Reading (15-20 mins)	Doodlemaths (15 mins)		30 - 35 mins
Tuesday		Doodlemaths (15 mins)	Spelling (10 mins)	25 mins
Wednesday	Reading (15-20 mins)	Doodlemaths (15 mins)		30 - 35 mins
Thursday	Reading (15 mins)	Doodlemaths (15 mins)	Spelling (10 mins)	40 mins
Friday	(Book review: 20 mins)			20 mins

Your support with what happens at home really does make a difference.

Miss Stirling and Mrs Crothers
